TAMASHII NATIONS

S.H.MonsterArts

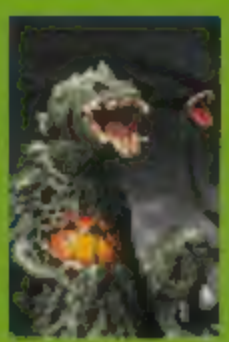
Introducing "S.H.MonsterArts", a revolutionary new Monster action figure series incorporating state of the art S.H.Figuarts technology.

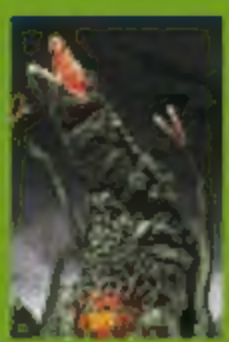
ゴジラ vs ビオランテ

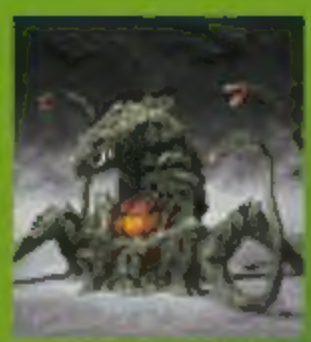
S.H.MonsterArts Biollante

MSRP $222.29 Nov/Dec 2013 30cm SHA622530

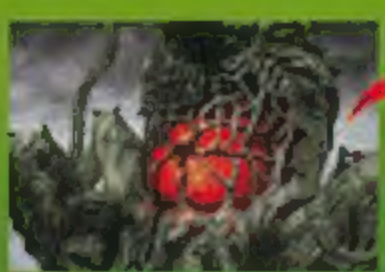
The largest godzilla figure from Tamashii Nations to date, the massive Biollante joins the incredibly detailed S.H. MonsterArts line! Highly requested through consumer feedback, Biollante has finally been approved for release after extensive testing to maintain the quality fans have come to expect in the line. To further ensure authenticity, the original creator, Fuyuki Shibata, of the Biollante model used in the "Godzilla vs. Biollante" movie was brought on board to personally plan, sculpt, and approve this piece to create the most accurate Biollante figure ever. At an astounding 12", Biollante dwarfs Godzilla and Mighty King Ghidorah, making her the largest foe Godzilla will ever battle with!







S.H.MonsterArts Biollante's meticulous sculpt detail, awesome proportion and fine high articulation at every main joint allow for realistic portrayal of scenes from the movie!



Accessorized for amazing dynamic display! Her tail, claws and fangs are sculpted to perfection and her head and body are designed with articulation in mind!

Biollante's massive size and incredible detail make her an awesome addition to any collection!

TAMASHII NATIONS®

FS-1 PREVIEWS: Beginnings and Landmarks

PREVIEWS was created in 1988, amidst big changes to how comics and graphic novels got to your local comics shop each week. From our humble beginnings in Northern California to our landmark 300th issue from our headquarters in Baltimore, Maryland, we take a look at how **PREVIEWS** has evolved from its humble beginnings to the monthly entertainment leviathan it is today, along with a look at some of our classic covers from across our 25 year publishing history!

USER'sguide

PREVIEWSworld.com

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy of ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?
Visit the comic shop locator service website at www.comicshoplocator.com, or call 1-888-COMIC BOOK for a listing of comic shops near you!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through ***PREVIEWS***! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, PREVIEWS features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:
International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.
Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.
Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Product will ship according to schedule;
1 = Product may ship an additional 60 days beyond scheduled ship date;
2 = Additional 90 days beyond scheduled ship date;
3 = Additional 120 days beyond scheduled ship date;
4 = Product may ship at any time beyond scheduled ship date.

PRODUCT Abbreviations
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

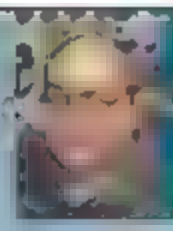
PREVIEWS: THREE HUNDRED ISSUES



EDITOR'S note

Well, we did it .. 300 issues. 25 years of ***PREVIEWS*** catalogs. Don't tell anyone, but I once ranted this gem of a remark: *"After issue 300, I am done!"* Now, I can't remember what it was that set me off at the time, but obviously I calmed down and as far as I know, I'm not going anywhere in the immediate future.

I've spent over half my life working on this publication, starting back in 1988. Back then, I never dreamed that it would go on this long. But then I never really thought about going anywhere else either. I just feel at home here, and ***PREVIEWS*** has been a big part of my home away from home for all these years.

As I stated last month, our 300th issue has been on my mind for a long time. I had high hopes for using one of our covers to try to pull together a sort of jam cover featuring one of the biggest assemblages of comic book characters ever for a kind of a "Sgt. Pepper"-style layout (with the publishers' cooperation, of course). Unfortunately, "commerce" won over "comic books", and what was previously a rare, unclaimed ***PREVIEWS*** cover, got sold right out from under me! Cue sad trombone sound.

So, anyway, we now greet this landmark 300th issue without a gimmicky cover, but with much joy and recollections of times past. I've had a blast working on this catalog for all these years, and have made some lasting friendships over the years with folks I worked side-by-side with each month, some of whom no longer work here. But like soldiers in a foxhole under heavy fire, we weathered all of the many storms that came our way in producing each issue of ***PREVIEWS***, and came out of the experience stronger, and a closer-knit band of nerd brothers and sisters... at least that's how I'd like to remember it.

So from myself and the entire staff of ***PREVIEWS*** — be they from today or from the start of our publication 25 years ago: Thanks to you for joining us here each month! You're the reason why we knock this book out every thirty days. And although I can't say I'll be here in another 25 years, like the comic book industry itself, I still have a few good years left in me!

Your Pal @ ***PREVIEWS***,

Marty

A NEW X-MEN TEAM EMBARKS ON AN AMAZING ADVENTURE

MARVEL PREVIEWS, $3.99, 32 PAGES, PAGE 50

The first half century of the X-Men came to a close with *X-Men: Battle of the Atom*, and the second half century kicks off this autumn as the X-Men become something they've never been before — Amazing — in the new ongoing series from the superstar creative team of Jason Aaron and Ed McGuinness in November's *Amazing X-Men* #1!

Spinning out of events in Aaron's *Wolverine and the X-Men*, *Amazing X-Men* assembles a team truly befitting the term "amazing" — Wolverine, Beast, Storm, Iceman, Northstar, and Firestar. At the climax of 2010's *Second Coming*, Nightcrawler gave his life to save Hope Summers, the Mutant Messiah. A character that had been the heart of the X-Men for so many years was gone, and soon the X-Men themselves would fracture. But there have been signs that Nightcrawler might not be truly gone, and a team of X-Men, spanning both sides of the mutant divide, have embarked on a quest to find their fallen comrade, a quest that will test them in battle against Nightcrawler's father, Azazel!

Joining Aaron on *Amazing X-Men* is Hicks Ed McGuinness. Working on his first X-book, McGuinness is equally adept at the all-out action and emotion that are the hallmarks of the very best X-Men stories. Together, Aaron and McGuinness will create a book that offers readers action, adventure, and human drama of classic X-Men books of years past and promises new readers a jumping-on point for X-Men adventure!

Will the Amazing X-Men find their fallen comrade and restore Nightcrawler to their ranks? Only Jason Aaron and Ed McGuinness know, and you can join them this November when they kick off the second half century of the X-Men with *Amazing X-Men* #1!

JASON AARON AND ED MCGUINNESS SEND THE X-MEN IN SEARCH OF THEIR LOST COMRADE NIGHTCRAWLER IN AMAZING X-MEN!

UNLOCK THE SECRETS OF BLACK SCIENCE IN RICK REMENDER'S NEW SERIES

What lies beyond the reality we recognize? For Grant McKay and the Anarchist Order of Scientists, that question has driven them into exploring the dark corners of science, where the theories break down into chaos. What McKay hopes to find beyond the veil of reality is an answer to all of the questions of existence. What he discovers will shock him and his companions to the core in Rick Remender's new Image Comics series, *Black Science!*

Unspeakable horrors, ancient civilizations, and unimaginable vistas await McKay and his team as they are trapped in the reality beyond ours and seek not just a way home but survival itself! "The universe was not made for us," Carl Sagan wrote in *Pale Blue Dot*, and McKay will lead his team through a universe that is actively hostile to humanity! The spiritual sequel to *Fear Agent*, *Black Science* sees Remender team with artists Matteo Scalera and Dean White. The multiversal adventure begins this November!

THE MYSTERIES DEEPEN IN DARK HORSE COMICS' GHOST

Earlier this year Dark Horse Comics resurrected one of their most popular characters of the 1990s, Ghost! Following her best-selling mini-series, Ghost returns for a new ongoing series from *Captain Marvel* writer Kelly Sue DeConnick with Ryan Sook on art! Chicago has become a battleground between humanity and extradimensional beings. Trapped between our world and her own, Ghost is uniquely positioned to thwart the demonic threat and protect the Windy City. Yet Ghost has her own mysteries to uncover, and her quest for the answers to her own mysterious existence may endanger her!

Ghost #1 is the perfect jumping-on point for new readers to this supernatural superhero series, while readers of the mini-series will find the storyline pushed forward into new territory. With Terry Dodson on covers and Ryan Sook on artwork, Kelly Sue DeConnick's *Ghost* is one book you'll want to pick up before it disappears like an apparition!

WITH CHICAGO UNDER ATTACK BY DEMONS, WILL GHOST FIND THE ANSWERS TO HER OWN MYSTERIOUS EXISTENCE?

ENTER A WORLD OF CHRISTMAS TERROR IN IDW'S WRAITH

Joe Hill, the best-selling novelist behind *Heart-Shaped Box* and *Locke & Key*, introduced his legions of readers to the world of Christmasland in his novel *NOS4A2*. A hallucinogenic world of terror, Christmasland is ruled with an iron fist by Charlie Talent Manx III. This Christmas, IDW Publishing takes Hill's fans back to Christmasland in a new comic book miniseries, *Wraith: Welcome to Christmasland*.

Frightening doings are afoot in Christmasland, and few who enter this terrifying land will survive. A standalone tale of terror, *Wraith: Welcome to Christmasland* is accessible to both comic book readers who discovered Hill through Locke & Key and prose readers who thrilled to NOS4A2!

The cybernetic heroine of Top Cow Productions' best-selling series *Aphrodite IX* is the latest character to join C.S. Moore's *Little Minxies* statue line! Featuring an animated design by Manny Carrasco, this statue of Aphrodite IX is cute, seductive, and sexy all at once. Standing 8" tall, she comes atop a display base with her pistol in one hand and the hem of her too-tiny skirt in the other!

448 BOLDLY GO WHERE NO UNDEAD CREATURE HAS GONE BEFORE

The Star Trek universe beckons in a way it never has before with NECA's new line of *Star Trek: Skele-Treks Figures*! Inspired by the culture and traditions of Mexico and created by Maya Studio and Spanish artist Javi Molner, the *Skele-Trek* figures present a bold and unique artistic style to new interpretations of Captain Kirk, Klingon Commander Kor, and a Borg Drone. If you need something unique in your *Star Trek* collection, beam the *Skele-Trek* figures aboard!

432 THE VOYAGE HOME BEGINS FOR THE HMS BOUNTY

Exiled to Vulcan for three months, the former crew of the *U.S.S. Enterprise* dubbed their captured Klingon Bird-of-Prey the HMS Bounty, after the 18th-century Royal Navy ship made famous by its mutiny. Diamond Select Toys expands their line of *Star Trek* ship replicas with the special *Star Trek IV: The Voyage Home: HMS Bounty Ship*. This Klingon vessel has its name hand-painted on the forward command pod and, like other Diamond Select Toys ships, has a built-in sound chip with clips from the film. Like Scotty, you'll soon shout, "There be whales here!"

READY YOURSELF FOR THE GAME OF THRONES WITH TWO NEW FIGURES 79

HBO's *Game of Thrones*, based on George R.R. Martin's best-selling fantasy novels, is one of the hottest shows on television today, and Dark Horse Comics expands their line of *Game of Thrones* merchandise with new molded plastic figures based on the series! Kicking off the line this January are 7 1/2" tall figures of *Jon Snow* and *Daenerys Targaryen*, both with sculpts based on the actors who portray these fan-favorite characters on the series. Non-articulated, these figures will look great next to your George R.R. Martin novels!

JIM LEE LAUNCHES A NEW LINE OF WONDER WOMAN STATUES 151

In the tradition of the *Batman: Black & White* and *Superman: The Man of Steel* statue lines, DC Collectibles unveils a new statue line centered on the third member of the DC Comics Trinity with the first piece in the *Wonder Woman: The Art of War* statue line! The debut piece features a design by Jim Lee in the style of Wonder Woman's classic 1940s look. Sculpted by Clayburn Moore and standing 7 1/4" tall on a Wonder Woman logo base, this statue is a numbered limited edition. Kick off your Wonder Woman statuary collection with this impressive piece!

THE BIG BANG THEORY

STRESS DOLLS

ON SALE NOV 13

SHELDON COOPER
LEONARD HOFSTADTER
HOWARD WOLOWITZ
RAJESH KOOTHRAPPALI
PENNY

Each figure is $9.99

Get yourself some *Big Bang Theory* therapy before your head explodes in an even bigger bang !

This comics-friendly sitcom is centered on five characters: roommates Leonard Hofstadter and Sheldon Cooper, Penny, a waitress and aspiring actress who lives across the hall, and Leonard and Sheldon's equally geeky and socially awkward friends and coworkers, aerospace engineer Howard Wolowitz and astrophysicist Raj Koothrappali. The geekiness and intellect of the four guys is contrasted for comic effect with Penny's social skills and common sense.

If YOU have any common sense, you'll stock up on these. The figures measure approximately 5.5" and are made of a soft material. Packaged in a window box, which has a side hole allowing the consumer to feel the figure's tactile quality without opening the box

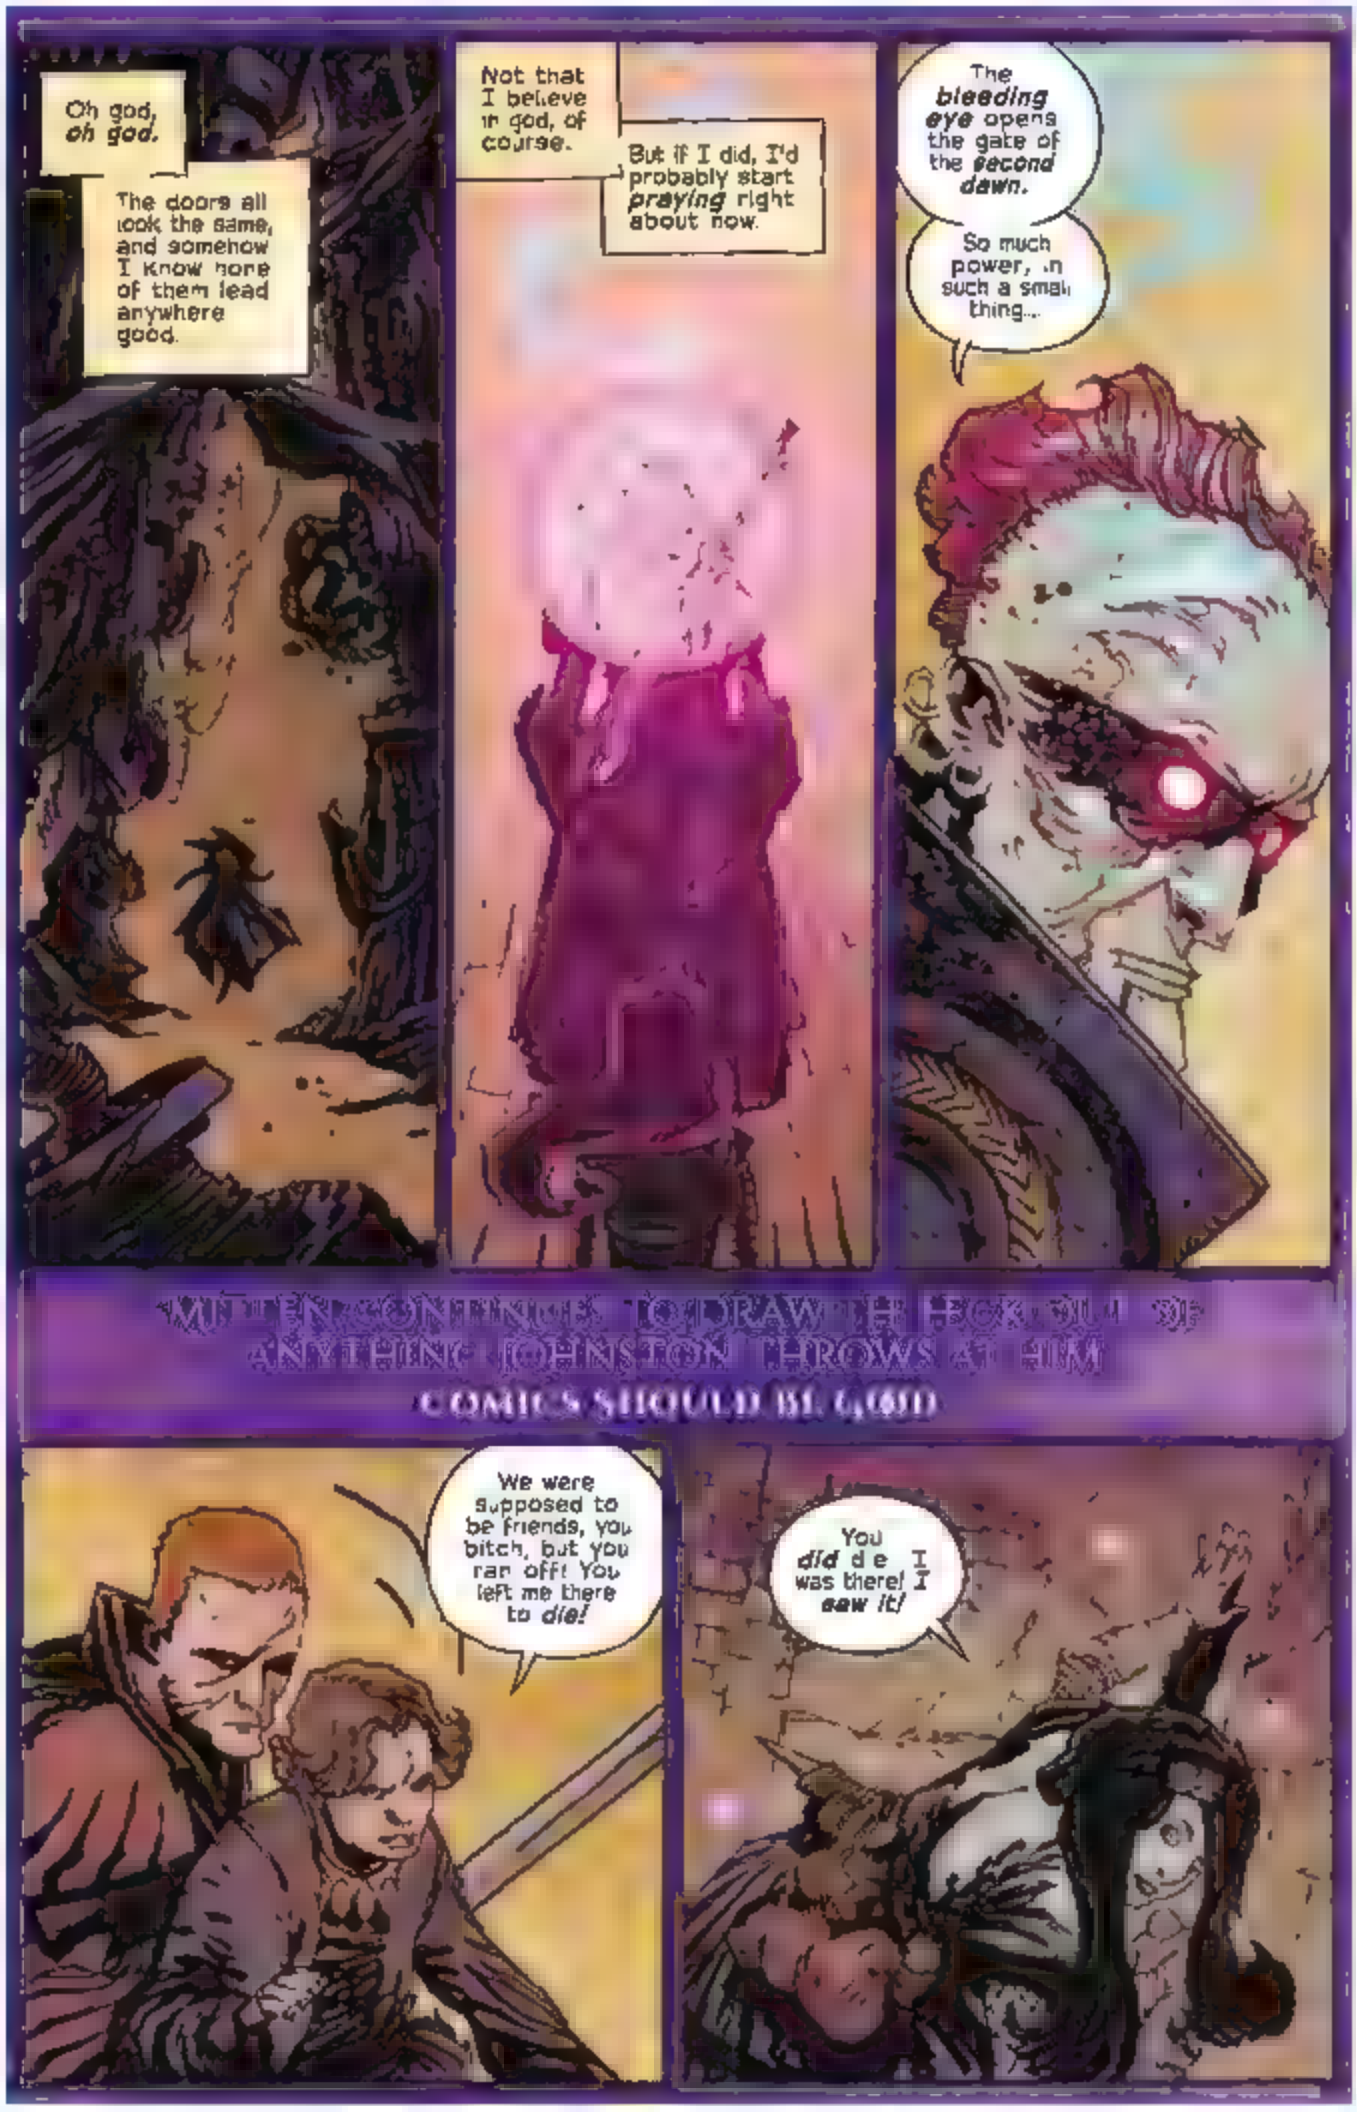
Show me, girl. Let me see it with my own eyes.
Ah, the *Oculus*. Such a beautiful thing. Its true purpose lost to history and legend.
A NEW DARK FANTASY FROM ANTONY JOHNSTON AND CHRISTOPHER MITTEN CREATORS OF WASTELAND
Steal the Oculus? In broad daylight? You're crazy!
Then you must be crazy for coming with me.
Anyway, it's hardly "broad daylight" during a *full eclipse*, is it?
And that's why it's not crazy. Everyone else is distracted by the heavens.
So relax, little Prince. All we have to worry about now...
" ...is being seen by your *parents*."



Oh god, *oh god.*
The doors all look the same, and somehow I know none of them lead anywhere good.
Not that I believe in god, of course.
But if I did, I'd probably start *praying* right about now.
The *bleeding eye* opens the gate of the *second dawn.*
So much power, in such a small thing...

THIS SPECIAL ONE-SHOT IS DEDICATED TO THE LATE JOSH MEDORS AND HIS FAMILY A SPECIAL STORY FOR A SPECIAL FRIEND.

On February 13, 1968, a passenger train derails in Streiner, Mississippi when a rotting mass of the living dead blocks the tracks. Hundreds are killed and the few desperate survivors are forced to hole up within the confines of the small rural town. Trapped in a tiny church, two soldiers fresh from the killing fields of Vietnam must do their best to defend a handful of civilians from the oncoming horde of flesh-eating cadavers. While a man named for the devil holds the barricaded sanctuary, a sniper in the belfry above practices his deadly trade, slaying the "disciples" of hell from a hundred yards away. Together, they must brave the living nightmares of 1968 and fight to hold their tiny piece of **HALLOWED GROUND**.

In the '40s, it was DC. In the '60s, it was Marvel. Now Millarworld has reshaped comics in the 21st century and turned into a powerhouse force to be reckoned with. Riding a wave of grand-slam properties ranging from comics to smash box office hits like *Wanted*, starring Angelina Jolie, and *Kick-Ass* and *Kick-Ass 2*, Mark Millar has built an empire by collaborating with the industry's finest artists. In honor of its tenth anniversary, and for the first time, Millarworld collects all the cover artwork from **Kick-Ass, WANTED, Superior, The Secret Service, Nemesis, Super Crooks, CHOSEN, WAR HEROES, JUPITERS LEGACY, Hit-Girl, AMERICAN JESUS: CHOSEN** and its newest title, **MPH**. Features behind-the-scenes interviews by the main artist for each title and includes rare, stunning variants by special guest artists like **BILL SIENKIEWICZ, ADAM HUGHES, MARC SILVESTRI, BRYAN HITCH, ADAM KUBERT, GEOF DARROW, PHIL NOTO JOCK, DAVE JOHNSON** and more!

ALIEN: THE ILLUSTRATED STORY ARTIST'S EDITION HC
Titan Books UK

In space no one can hear you stream, in the comic shop you will scream with delight as this classic science fiction story is once again made available

In the early pre VHS/DVD/DVR world of 1979 if you wanted to be part of a film or TV show your only way you could do so was with book novelizations and comic book adaptations. Titan Books is offering *Alien: The Illustrated Story Artist's Edition* which showcases the art and storytelling of Walt Simonson in a 14x17 hardcover restored and remastered from his original artwork.

Walt's art combines top storytelling along with character designs and scenery that are true to Ridley Scott and HR Giger. This special edition even includes never before published color tryout pages and sketches. This special edition includes Goodwin's complete annotated script and an interview with Simonson

Here is a chance for old and new readers to marvel at the work of Archie Goodwin and Walter Simonson and see why they had fans from the days of Warren magazines, *Gore Creatures*, and *Wizard* to *Manhunter*, *Dr. Fate*, and *Star Slammers*

ORIGINAL GRAPHIC NOVEL **HARDCOVER**

(W) R.J. RYAN (A) DAVID MARQUEZ
(COV) DAVID MARQUEZ

In mid-21st century Northern California, prosperous technology executive George Joyner stands on the brink of revolutionizing life in America (again) with his latest high-flying invention. But just as business booms, George's private life begins to implode with devastating consequences for his wife Sonya, their children Rochester and Michelle, and Sonya's ailing father, David. Brought to life in stunning anaglyph 3-D (two pairs of glasses come enclosed with each book!), ***The Joyners in 3D*** details a story of personal betrayals, industrial intrigue and sexual desire in uncompromising and visually impeccable terms. ***The Joyners in 3D*** reunites writer R.J. Ryan and *Ultimate Spider-Man* illustrator David Marquez, collaborators on Archaia's acclaimed graphic novel *Syndrome*, for which Marquez earned a 2011 Russ Manning Award nomination.

(COV) MEGAN HUTCHISON

After her parents' accidental death by mushroom poisoning, young Aurora Grimeon is sent to live with her estranged grandfather on Ossuary Isle, deep in the southern swamps. Joined by her grandfather's pet raccoon Missy, Aurora explores the fog-covered island of graves. Along the way, she meets its sinister residents who care for the tombstones and mausoleums, living out their lives by the strange rules of Hoodoo magic. When ghostly things start happening out in the swamp and island residents start disappearing, Aurora thrusts herself into the middle of the mystery, uncovering secrets that might be better left buried.

Creators of *An Aurora Grimeon Story: Will o' the Wisp*

Who is Aurora Grimeon, and what can you tease readers about what to expect in this story?

Tom Hammock:

***An Aurora Grimeon Story: Will o' the Wisp* is set in the swamps of Louisiana. What about the bayou locale and its residents helped inform some of the elements of this story?**

Tom:

Megan, your art complements the story very well. What are some of the things that went into designing the characters and scenery for *Will o' the Wisp*?

THE MYSTERIOUS STRANGERS VOLUME 1 TP

Oni Press

Somewhere among the nostalgic adventures of Adam West's *Batman*, *Charlie's Angels*, and the classic James Bond movies, there is the super-team known as The Mysterious Strangers.

Verity, Michael, and Sandoval are a team of agents with supernatural gifts that are brought together to take on the world's oddest criminals and terrorists. Like the other 60's era shows and movies it pays homage to, *The Mysterious Strangers* is an over-the-top adventure that doesn't take itself too seriously and favors fun and humor over gore and violence.

Chris Roberson, the writer of *Cinderella: From Fabletown With Love*, brings readers yet another "strange" take on the secret agent genre.

CALIGULA VOL 2 HEART OF ROME TRADE PAPERBACK

Retail Price: $19.99 US
Writer: David Lapham
Cover & Artist: German Nobile
MR, Color, 160 pages

"David Lapham's *Caligula* is a visceral combination of *Spartacus* meets *The Exorcist*!"

About: They thought the mad emperor Caligula was destroyed. But his evil lives on, hiding in plain sight. Now good Laurentius must track down the demon to stop the slaughter in the streets and to avenge his wife's death. But the demon is not alone this time. It seems that others with hellish powers have risen up and are shaping the world of the new ruling class. Even young Nero, his son, has a demonic influence changing the boy and directing him to take up the grievous excesses of his father. The modern master of horror, DAVID LAPHAM (*Crossed Vol. 2 & 3, Stray Bullets*), joins talented painter GERMAN NOBILE in a descent into the darkest corners of Rome's history. Collects issues #1 - 6 of the *Caligula Heart of Rome* series

AN INTERVIEW WITH STEVE NILES!

At times, Ash Williams is a square-jawed, resolute bad-ass. At other times, he's a complete spastic goofball. What are your thoughts on how these two very divergent aspects of his personality may play a role in your storyline?
Ash is kind of the perfect horror character because of the way he responds to danger. Ash is capable of extreme violence but at the same time he has a pretty good sense of humor about things. I think that's one of the things that makes him invulnerable, because he laughs at the most horrible things and can joke in the most dangerous situation. His sense of humor and goofiness is sorta his super power. Ash is our eyes on the world and its his reaction to heinous events that brings out the humor. It's one reason I chose the Dark Age setting. I love how he reacts to what he sees as primitive. Always cracks me up.

You've penned some very dark horror comics over the years – really pushing the boundaries and showing us that comics can be truly scary again. What should we expect from the tone of the new ASH AND THE ARMY OF DARKNESS series?
I am shooting for equal parts scary and funny without either stepping on the other. That's why almost all the humor comes from Ash's reactions. The curse of the dead is very serious and it is only through Ash's eyes we are able to laugh. I don't want people to feel too safe because of the jokes. There will still be extreme horror. Dennis' art is perfect for what we are going after. It's very realistic so the horror is in your face and the comedy plays much better.

ASH AND THE ARMY OF DARKNESS returns the titular hero to the familiar setting of the Middle Ages. What's the appeal of the medieval time period for this new adventure?
There is nothing better for scares and humor than placing characters completely out of their element. The Dark Age setting offers so much in the way of keeping Ash off balance, which is when he is at his best. We see a side of him I love: a romantic adventurous side.

The cult classic film featured numerous memorable enemies: Pit Deadites, the skeleton hordes, the never-seen Chase Deadite, winged demons, miniature Mirror Ashes, possessed witches, Real-Ugly Sheila, and (of course) Bad Ash. Should we anticipate a return of these beasties, or all-new menaces?
You should anticipate those and many many more. The world that Ash returns to is much worse than the Dark Ages he left. Armies of the dead have destroyed kingdoms and are spreading fast. In the film the curse was limited, in the new series it threatens to go global. We're going to see all kind of dead and undead creatures, twisted version of Ash and others. There will be deadites and cults and witches and all evil.

You're a longtime ARMY OF DARKNESS fan. Would you be willing to share a particularly fond memory of how the film impacted you, or perhaps your thoughts on AOD fandom?
The Evil Dead films were huge for me. As an indie guy seeing Raimi and crew do what they do and without the help of major studios was a huge. I remember seeing the end of Evil Dead 2, which sets up AOD and just about losing my mind. That was the last thing I expected and in that one scene they turned the franchise on its head and expanded the scope.

ARMY OF DARKNESS is Dynamite's flagship title, a series with many contributors and incarnations over the past decades. What will readers need to know coming into ASH AND THE ARMY OF DARKNESS?
Readers are going to get what they want I hope. I am loading this thing with so much action and horror weirdness. Ash is more than just a funny action hero in this series. He is crucial to the survival of the world as we know it. THAT in itself cracks me up. Ash is our savior? We are doomed! Haha. Seriously though, this comic is writing itself. Ash and the world of darkness is so rich and full of shocks and surprises.

What parallels would you expect your fans to see between the type of story you wish to tell in ASH AND THE ARMY OF DARKNESS, and those stories told in your past projects?
If we had to make comparisons I'd say people can expect a tone not unlike my series Criminal Macabre or The Ghoul or even Mystery Society where action, horror and humor go hand-in-hand. I'm not going to hold back on laughs or scares. We will see extremes of both.

What's the most important thing you want fans and retailers to know about the new, improved ASH AND THE ARMY OF DARKNESS?
Fans can expect the Ash they know and love in an amped-up, new series full of terror and laughs. I have signed on for the long haul so they will get books monthly. Besides Simon Dark, I have never done a monthly title so I am getting to use muscles I've never used before. I want old and new fans to enjoy the ride so I am putting everything into this one.

NOIR #1 (of 5)

FEATURING MISS FURY & THE BLACK SPARROW!
ISSUE #1 GUEST STARRING THE SHADOW!

WRITTEN BY VICTOR GISCHLER!

Ardian Syaf cover

VICTOR GISCHLER ON THE MAIN CHARACTERS OF NOIR:

What can you tell us about the Black Sparrow?
Ambitious, a little wild. She's a bit numb to normal everyday life and needs to put herself in situations that make her feel a bit more alive. But she's also motivated greatly by simple, straight-forward financial gain. She can't see herself as a peasant and she's constantly on the lookout. She doesn't have supernatural powers, but she is highly skilled with weapons and multiple fighting styles. At some point in her past, she's had some extremely intense training... but that story is for another day.

Miss Fury appears currently in her own series from Dynamite, and has also appeared in the pulp hero team-up extravaganza, *Masks*. Have those appearance informed her treatment in your new project?
Yes. Rob's handling of the character is basically where I'm taking my cue. He's been doing an awesome job. Like Sparrow, Fury is her own woman in a man's world and can't stand the thought of a boring or dreary life. The differences are maybe that Fury doesn't need money so much and is possibly [illegible] 100% mentally stable. And that's just fun, isn't it?

The Shadow wouldn't seem the type to play well with others... and yet, he does work with Margo Lane and a network of informants. How do you feel he views those he works with?
I see it less as working with his network and more that the network works for The Shadow. The Shadow calls the shots. That's why it's interesting when Shadow suddenly finds himself working with the Black Sparrow. I mean, they did try to kill each other a while back. But that's comic books, isn't it? My enemy today is my new teammate tomorrow.

What's the most important thing you want fans and retailers to know about the new project? What should they expect?
If readers want that pulp vibe, this is the book. If they've had a taste for The Black Sparrow in *The Shadow* or Miss Fury in her own series, and if they want more, then this is the book. And they should expect action, adventure, and intrigue... and that just sounded like it took the description right off of an old pulp movie poster, which is just about right.

A Q&A WITH THE WRITERS OF LEGENDS OF RED SONJA!

WHAT IS IT ABOUT RED SONJA THAT HAS ALLOWED HER TO MEET THIS 40 YEAR MILESTONE?

MARJORIE LIU: [illegible] besieged by forces that want to steal our voices and power. Red Sonja is an icon of strength and stubbornness.

NANCY A. COLLINS: [illegible] common, even in the modern era of Grim & Gritty comics.

DEVIN GRAYSON: [illegible] mystery around her all these years, which is no small feat. There's a directness to her character that's both refreshing and enduring.

RHIANNA PRATCHETT: She's a striking character in every sense of the word. [illegible] on the page as well as on the battlefield.

TAMORA PIERCE: [illegible] chainmail bikini as do not hurt.

LEAH MOORE: [illegible] in a woman. In Sonja it cuts straight though the whole gender divide and proves that yes, women can be curmudgeonly and unpleasant too!

MERCEDES LACKEY: [illegible] start that she was no one's possession, toy, or arm-candy.

NICOLA SCOTT: [illegible] hurt that she rocks a sword and a metal bikini.

WHAT CAN YOU TELL US ABOUT YOUR STORY?

NANCY A. COLLINS: [illegible] SAVAGE SWORD OF CONAN [illegible] early days as a thief--the time period where I was first introduced to her. Before the chainmail bikini.

DEVIN GRAYSON: [illegible] Lots of tentacles.

RHIANNA PRATCHETT: [illegible]

TAMORA PIERCE: [illegible] again, demanding a cost in death.

LEAH MOORE: [illegible]

MERCEDES LACKEY: Sonja serves as the inspiration for another girl's fantasy. [illegible]

NICOLA SCOTT: My story is about a stolen moment of good fortune that Sonja has since obviously benefited from.

BLAIR BUTLER: [illegible] no idea how dark this story was going to get when I started it.

KELLY SUE DECONNICK: [illegible] them blind. Theatre!

WHAT ARE YOU HOPING FANS WILL LEARN ABOUT RED SONJA FROM YOUR STORY?

NANCY A. COLLINS: That she means business.

DEVIN GRAYSON: [illegible] Sonja. Also, she may be waterproof.

RHIANNA PRATCHETT: [illegible] chooses all her attribute to aid her in battle and how this knowledge may have come about.

TAMORA PIERCE: [illegible] conceal those layers, but to hone them, particularly her intelligence.

MERCEDES LACKEY: Sonja might not live up to someone's fantasy... or then again, she might.

MR MINI MART

JUNKO

Meet Mr. Mini-Mart, Endou Nakaba — middle-school drop out, shut-in, and NEET — as he begins his very first job at a convenience store.

Unfortunately, his temperamental co-worker, Yamai Ko, hou doesn't make things easy on him. When Endou accidentally witnesses Yamai's surprisingly sweeter side to Yamai, he realizes that his rude and loud-mouthed co-worker might not be such a bad guy after all. Seeing this new side of his co-worker, Endou starts to get to know him better. But will this together be only the start to a romantic relationship?

LEADERSHIP IS FOR EXPLOITATION!
CAN THE PRESIDENT USE IT WELL?

When President Momoi is only interested in his leadership role 'cause it'll help him find a young sexy boyfriend! But why is he constantly gazing at his colleague the old and very married Director Watanabe? And what exactly does his massive company manufacture, anyway?!

President Momoi-kun splices together the silly and the seductive in a masterful mix of crushes, courtship...and naughty "candid" photos! Will the President avoid public scandal while convincing his beloved that their private partying is worth all the trouble?

TAKASUGI-SAN'S OBENTO -1-

高杉さん家のおべんとう

Nozomi Yanahara

Haruma may be finished with graduate school, but he's 31, unemployed, and not exactly living the dream! But when a beloved aunt passes away and leaves him in charge of his striking young cousin Kurumi, Haruma suddenly feels his dull, depressing days take on an exciting new flavor...

Takasugi-san's Obento serves up bittersweet memories and savory surprises in a perfectly-presented feast! Can a hapless post-grad help a severely shy junior chef come out of her shell? And will the unlikely duo learn to both cook and live in sweet harmony?

BEAUTIFUL DARKNESS GN
(W) Fabien Vehlmann
(A/CA) Kerascoet
A dark fairy tale about surviving the human experience. Aurora's having a tea party with Hector, the prince she's been dreaming about, when a sudden deluge forces them to take shelter elsewhere. They emerge from the skull of a dead girl into the woods at night and find themselves among a crowd of tiny people. Aurora quickly takes charge of the situation, and at first things seem to be going well for most of her friends. Despite a few injuries and deaths and a lot of hunger, they forage successfully and befriend a mouse that lives in the neighborhood. But as time goes by, more and more of the little people begin to lose hope, turning against one another in brutal ways. *Beautiful Darkness* is a harrowing look at the human psyche and the darkness that hides behind the routine politeness and meaningless kindness of civilized society (STK622626, (C: 0-1-1)

SHOWA 1926 -1939: A HISTORY OF JAPAN TP
(W/A/CA) Shigeru Mizuki
Showa 1926-1939: A History of Japan is the first volume of Shigeru Mizuki's meticulously researched historical portrait of twentieth-century Japan. This 560-page volume deals with the period leading up to World War II, a time of high unemployment and other economic hardships caused by the Great Depression. Mizuki's photo-realist style effortlessly brings to life the Japan of the 1920s and 1930s, depicting bustling city streets and abandoned graveyards with equal ease. With his trusty narrator Rat Man, Mizuki brings history into the realm of the personal, making it palatable, and indeed compelling, for young audiences as well as more mature readers. ACME NOVELTY DATEBOOK VOLUME 3 HC
(W/A/CA) Chris Ware
Working directly in pen and ink, watercolor, and white-out whenever he makes a mistake, Ware has cannily edited out all legally sensitive and personally incriminating material from his private journals, carefully recomposing each page to simulate the appearance of an ordered mind and established aesthetic directive. Included are Ware's frustrated doodles for his book covers, angry personal assaults on friends, half-finished comic strips, and lengthy and tiresome fulminations of personal disappointments both social and sexual, as well as his now-beloved drawings of the generally miserable inhabitants of the city of Chicago (STK351479)

ACME NOVELTY LIBRARY VOLUME 20: JORDAN WELLINGTON LINT HC

(W/A/CA) Chris Ware

Jordan Wellington Lint, 51, is Chief Executive Officer of Lint Financial Products, a company he began serving in 1985 as assistant and advisor before working his way up its corporate ladder. Jordan has grown the company from a business lender and real estate speculator to a leading provider of network financial infrastructure services, making him one of the most influential and widely sought-after leaders in the securities industry. In his ongoing role as Chief Executive Officer and his dual roles as public servant and father, Lint continues to put his creative leadership and vision to work in a variety of challenging settings. He is married and is the father of two boys. (STK427479)

ONWARD TOWARDS OUR NOBLE DEATHS (NEW PRINTING)

(W/A/CA) Shigeru Mizuki

Shigeru Mizuki is the preeminent figure of Gekiga manga and one of the most famous working cartoonists in Japan today. *Onward Towards Our Noble Deaths* is his first book to be translated into English and is a semi-autobiographical account of the desperate final weeks of a Japanese infantry unit at the end of World War II. The soldiers are told that they must go into battle and die for the honor of their country, with certain execution facing them if they return alive. (STK436995)

KITARO GN

(W/A/CA) Shigeru Mizuki

Meet one of Japan's most popular characters of all time — the one-eyed monster boy Kitaro. He's just like any other boy, except for a few small differences: he only has one eye, his hair is as an antenna that senses paranormal activity, his geta sandals are jet-powered, and he can blend in to his surroundings like a chameleon. Oh, and he's a three hundred and fifty year old *yokai* (spirit monster). With all the offbeat humor of an *Addams Family* story, *Kitaro* is a light-hearted romp where the bad guys always get what's coming to them. (STK524773)

NONNONBA GN

(W/A/CA) Shigeru Mizuki

NonNonBa is the definitive work by acclaimed Gekiga-ka Shigeru Mizuki, a poetic memoir detailing his interest in *yokai* (spirit monsters). Within the pages of *NonNonBa*, Mizuki explores the legacy left him by his childhood explorations of the spirit world, explorations encouraged by his grandmother, a grumpy old woman named NonNonBa. *NonNonBa* is a touching work about childhood and growing up, as well as a fascinating portrayal of Japan in a moment of transition. *NonNonBa* was the first manga to win the Angouleme Prize for Best Album. TERRY MOORE'S THE COMPLETE ECHO TP

Abstract Studios

After ten years plus working on *Strangers in Paradise* and winning every award you could in the comics industry, Terry Moore deserved a break. Well, a few months after Katchoo and Francine got to live happily ever after it was time for Terry to bring chaos to yet another woman's life.

Julie Martin is Terry's newest addition to his group of strong female characters at Abstract Studios. Julie is in the wrong place at the wrong time and when the fallout from an atmospheric explosion makes her the host for a symbiotic technology well being broke and divorced may not be the worst things in your life.

Through the 30 issues that comprise *The Complete Echo*, Julie is taken on adventures that cover the physical, metaphysical, religious, and the ever present military-industrial complex. Nothing is ever easy in the life of a Terry Moore creation and the end of the world could be the final chapter or maybe Julie, Dillon, and Ivy (Terry has a thing about triangles; though add Annie and it gets more confusing but more interesting).

Characters develop, change, and learn to survive as the world as they know it changes. Relationships become an important part of this story and those lucky enough to purchase this collection will be glad they didn't have to wait the three years to read yet another excellent story from Terry Moore.

— *Steve Leaf*

PROTOCOL #1
BOOM! Studios

When I was just a kid one of my favorite science fiction books was Orson Scott Card's *Ender's Game*. I was completely enthralled with the idea of the government taking gifted children and then them to be the master tactician to save humanity from a dangerous alien threat. What resonated with me in the book was that it didn't matter what age you were. It only mattered what you could accomplish if you put your mind to it and applied yourself.

Protocol by BOOM! Studios has a similar theme.

In *Protocol* we see the government has acquired orphan children and, through a brutal training regimen, shapes them into the next generation of super spies. The orphans are trained and then sent back into the world as sleeper agents to be called upon when needed. These kids have the skills to disable bombs, engage and defeat trained military groups, but they still have all the angst associated with being a teenager. The book reads like the Brad Pitt & Angelina Jolie movie *Mr. & Mrs. Smith* mashed up with *Saved by the Bell*. Just don't look for any giant 90's cell phones here.

THE CUTE GIRL NETWORK

(W) Greg Means, M. K. Reed (A/CA) Joe Flood

Jane's new in town. When she wipes out on her skateboard right in front of Jack's food cart, she finds herself agreeing to go on a date with him. Jane's psyched that her love life is taking a turn for the friskier, but it turns out that Jack has a spotty romantic history, to put it mildly. Cue the Cute Girl Network — a phone tree information-pooling group of local single women. Poor Jane is about to learn every detail of Jack's past misadventures, whether she wants to or not! TUNE BOOK 1: VANISHING POINT ON

(W/A/CA) Derek Kirk Kim

Andy's life is going nowhere, fast. He left art school with his career all worked out ahead of time, but to say it didn't work out is the understatement of the century. Unemployed and living with his overbearing parents, Andy struggles to keep sight of the lofty goals that once drove him. But it's hard, even when he reconnects with his old art school crush, Yumi. Things look better, briefly, with Yumi back in the picture and an actual job offer on the table. But then Andy takes the job offer — to work at a zoo — and finds himself in an alternate dimension. The zoo? Is run by aliens. The exhibit? is him. (STK515952)

SAILOR MOON SHORT STORIES VOLUME 2 GN
(W/A/CA) Naoko Takeuchi
The second collection of short stories actually consists of one long and two short tales. The first and longest story pays homage to one of the oldest folk tales of Japan, "The Tale of the Bamboo Cutter." Usagi's faithful sidekick Luna is saved by and ends up developing a crush on an astrophysicist, whose dream of becoming an astronaut has been dashed by heart disease. His life is further complicated when he happens upon a mysterious crystal shard the same night he discovers a new comet. In another short tale, we get a deeper peek into Rei's background, and her unrequited feelings for her father's executive secretary. The final story, however, changes tone as a comedy that follows the children of Usagi and her fellow Sailor Guardians, who prove that apples do not fall far from their trees! THE ENCYCLOPEDIA OF EARLY EARTH GN
(W/A/CA) Isabel Greenberg
Before our history began, another, now forgotten, civilization thrived. The people who roamed Early Earth were much like us: curious, emotional, funny, ambitious, and vulnerable. In this series of illustrated and linked tales, Isabel Greenberg chronicles the explorations of a young man as he paddles from his home in the North Pole to the South Pole. There, he meets his true love, but their romance is ill-fated. Early Earth's unusual and finicky polarity means the lovers can never touch. As intricate and richly imagined as the work of Chris Ware, and leavened with a dry wit that rivals Kate Beaton's in *Hark! A Vagrant*, Isabel Greenberg's debut will be a welcome addition to the thriving graphic novel genre. STAFF PICKS

PINK GN
Vertical

Yumi, an attractive young office girl, spends her nights as a prostitute to afford her pet alligator. There's little point in burying the lead here, I'm sure you're curious. However, before you jump to conclusions, this is not a pornographic work.

Most American manga readers are familiar with *shonen* (manga targeted for little boys: *Naruto, One Piece, Dragonball*) or *shojo* (manga targeted at little girls: *Sailor Moon, Vampire Knight, Fruits Basket*). However manga is pervasive in Japan and just about every demographic has its "age/gender" appropriate library of titles. *Pink* is considered one of the first groundbreaking manga for the *josei* genre written for modern, adult women. It features mature storytelling, nuanced characters, and themes that deal with controversial or complex situations. *Josei* stories, and *Pink*'s author, Kyoko Okazaki, as a founding creator in the genre, are not shy about much of anything whether it's empowered women, drug use, alternative sexualities, or street culture.

All that said, *Pink*'s interior art is playful. The alligator wears glasses. Our young Yumi would do anything to keep him by her side. She's certainly odd, but as a reader you find yourself sympathetic to her idiosyncrasies. She's a character fighting alone, against a larger world that doesn't share her values, to protect the joy she has in her life. In the face of long hours at two jobs, unsavory tasks, and the judgment of friends and family, she keeps moving forward because she knows what matters most to her. As a reader, the realization dawns slowly: we all have a secret heart, a happiness we strive to protect -- an alligator of our own.

Raleigh doesn't have a soul. A cat stole it—at least that's what she tells people—at least that's what she would tell people if she told people anything. But that would mean talking to people, and the mere thought of social interaction is terrifying. How did such a shy teenage girl end up in a car with three of her hooligan classmates on a cross-country road trip? Being forced to interact with kids her own age is a new and alarming proposition for Raleigh, but maybe it's just what she needs—or maybe it can help her find what she needs—or maybe it can help her to realize that what she needs has been with her all along.

This special 10th anniversary hardcover edition of Bryan Lee O'Malley's classic coming of age graphic novel includes previously uncollected shorts and extra bonus material!

For Michael, Verity, and Sandoval, protecting the world from the strange is a full-time gig. Seems like everyone's trying to take over the world these days, so the Mysterious Strangers have their powerful hands full. It's not Capricorn and the terrorist organization O.C.C.U.L.T. attempting to channel the power of an ancient—and otherworldly tempest. It's Verity's favorite band The Scarabs, summoning an old and vengeful god with their "new sound." Even the Strangers' most boring excursions to the American Midwest bring them into contact with extraterrestrial extremists who are willing to annihilate the entire human race if it doesn't conform to their standards. And things can only get stranger from there! Including a cover gallery showcasing the fantastic linking covers of the first six issues, this collection is not to be missed!

CHRIS WARE: BUILDING STORIES HC
(W/A/CA) Chris Ware
Building Stories follows the inhabitants of a three-flat Chicago apartment house: a 30-year-old woman who has yet to find someone with whom to spend the rest of her life, a couple (possibly married) who wonder if they can bear each other's company for another minute, and finally, an elderly woman who never married and is the building's landlady. The scope, the ambition, the artistry and emotional heft of this project are beyond anything we have yet seen from this artist or in this medium. (STK471147) (C: 1-0-0)

The all-new sequel to *New York Times*-bestseller *Dance in the Vampire Bund* starts here! Three months have passed since Princess Mina, queen of all vampires, has recaptured the Bund. The damage inflicted to vampire/human relations runs deep, but a peaceful postwar restoration is now underway. Yet appearances can be deceiving. Somebody is trying to kill government liaison Reiko Goloh, but her lycanthrope bodyguard, Seiji Hama, is nowhere to be found. The mystery of Hama's whereabouts can only be solved by examining the past. (STK621686)

FRANZ KAFKA: THE CASTLE GN
(W/A/CA) David Zane Mairowitz
The protagonist of this Kafka classic, K., finds himself in a faraway, snow-covered village with a castle looming above. The inhabitants of the mysterious castle are also the strict officials who govern the village. When K. tries to reach out to the officials, he gets himself into a complex misunderstanding over the contradictory rules and regulations that dictate the daily life of the villagers. The Castle explores the conflicting tension of power between individuals (represented by K.) and the authorities (the officials in the castle).

DRACULA EVERLASTING
VOLUME 3 GN
(W) Nunzio DeFilippis, Christina Weir
(A/CA) Rhea Silvan
The stunning conclusion to a manga trilogy that reinvents the *Dracula* mythos. Nicholas Harker discovered he is heir to the legacy of an ancestor he never knew he had: Dracula. Under his progenitor's evil influence, Nicholas has begun to rebuild Castle Dracula in the outskirts of Boston, leaving behind a wake of corpses. While the love of Jill Hawthorne seems to be the only thing that weakens Dracula's hold over Nicholas, Mason Renfield realizes he must remove her from the picture, in order to usher in the full reemergence of his dark lord. But Jill's new friend, the fiery wiccan Cate, has plans of her own — to destroy Nicholas and avenge her mother's death. (STK621677)

KANOKON OMNIBUS VOLUME 2 GN

(W) Katsumi Nishino (A/CA) Rin Yamaka
A boy, a fox girl, and a wolf girl — definitely not your typical love triangle! Innocent country boy Oyamada Kouta transfers to a big city high school in his freshman year, and from day one, his life enters a world of crazy. First, a beautiful second-year student named Chizuru professes her love to him, then reveals that she is in fact a fox spirit. Frisky and flirty, she suggestively teases naive Kouta in front of his classmates, embarrassing him to no end. If that wasn't enough, a gorgeous wolf spirit named Nozomu suddenly transfers to Kouta's class and decides she wants the hapless country boy for herself! As fox girl and wolf girl vie for his heart, does Kouta have any say in this? Collects volumes 5 and 6. (STK621675) (C: 0-0-1)

THE 47 RONIN GN

(W) Sean Michael Wilson
(A/CA) Akiko Shimojima
In the 18th-century, forty-seven samurai avenged the death of their master in a plot that would take over two years to complete. After succeeding in their mission, the masterless samurai, known as ronin, all committed ritual suicide. The story, which is a national legend, remains the most potent example of Japan's deeply rooted cultural imperative of honor, persistence, loyalty, and sacrifice. In *The 47 Ronin*, Sean Michael Wilson has created a historically factual portrait, enhanced by evocative and often lyrical drawings by Akiko Shimojima. This version stands out as being the most accurate and most compelling. (STK622320) (C: 0-1-2)

UNITY #1

To kill a king, he has created an army.

The world's most dangerous man, Toyo Harada, has been struck by the one thing he never thought possible – fear. Halfway across the globe, a new power threatens to topple modern civilization and, to prevent the catastrophe that is to come, Harada will unite the most lethal, most volatile, most unforgiving team the world has ever known – UNITY.

Their missions defend the warrior king armed with the universe's most powerful weapon. Will it be enough?

We have Valiant New York Times best-selling writer Matt Kindt (*Justice League of America*, *Mind MGMT*) and superstar artist Doug Braithwaite (*Justice, Journey into Mystery*) to thank for Valiant's all-new superteam from the hindmost comic book event of the year! With an all-new ongoing series in UNITY #1, featuring covers by a murderer's row of comics juggernauts – Doug Braithwaite, Jim Lee, Bryan Hitch, Paolo Rivera, Simone Bianchi, Trevor Hairsine, and Neal Adams!

You've heard the buzz, you've seen the reviews. If you still haven't jumped onto Valiant Comics, the time to read this November, UNITY is the perfect entry point for new readers.

THE ALLURING ART OF MARGARET BRUNDAG (NEW PTG.)
(W) Stephen D. Korshak, J. David Spurlock (A/CA) Margaret Brundage
Margaret Brundage changed the look of fantasy, science-fiction, and horror with her alluring sensationalistic covers for the legendary pulp magazine, *Weird Tales*. Brundage was the first female cover artist of the pulp era and the first to paint Conan! Decades before the gothic fetish craze. Brundage's provocative paintings featuring semi-nude young women bearing whips, became a major controversy. In this, the first book devoted to this noted artist, authors Korshak and Spurlock spotlight artwork along essays by noted artists Rowena, Robert Weinberg, and more. All editions feature big, 9" x 12" lavish illustrated, full-color pages with art and text. The Deluxe edition features an extra 16 page art folio not included in the standard hardcover. (STK473732)

TRUE BLOOD VOLUME 2: TAINTED LOVE TP
IDW Publishing

One thing I love is comics based on television shows, especially when those comics are based on HBO original series like *True Blood*. IDW Publishing is releasing a second volume of their *True Blood* trade paperbacks, *Tainted Love*, previously only available in hardcover, and I'm excited about it.

I'm a newly-formed Trueblie. I wasn't a fan of the show when it first debuted, and only started watching in season 5, but quickly gathered the Blu-Rays of all the previous seasons and had marathons in my living room to get up to speed with the rest of the *True Blood* universe. Now, every Sunday night, I'm camped out on my couch completely tuned into the world of Bon Temps to watch the adventures of Sookie, Jason, Eric, Bill, and the rest of the cast. Personally, I'm Team Northman, and there's still mention of everyone's favorite Viking vampire in the storyline.

IDW does not disappoint with their *True Blood* material. It's original material, so even if you watch the show religiously like me, you will find this a real *True Blood* treat because it's more of the characters we know and love.

THE ART OF RUBE GOLDBERG HC
(W/A/CA) Jennifer George
In a 72-year career Rube Goldberg wrote and illustrated nearly 50,000 cartoons. Goldberg (1883-1970) was the most famous cartoonist of his time, best known for his comical inventions, which were syndicated in daily newspapers throughout the world. Author Jennifer George celebrates all aspects of her grandfather's career, from his very first published drawings in his high school newspaper and college yearbook to his iconic inventions, his comic strips and advertising work, and his later sculpture and Pulitzer Prize-winning political cartoons. Brilliantly designed and packaged to capture the inventiveness of Rube Goldberg's work, *The Art of Rube Goldberg* is a coffee table book the whole family can enjoy. (STK622297) (C: 0-1-0)

MAGIC WORDS: THE EXTRAORDINARY LIFE OF ALAN MOORE HC
(W) Lance Parkin
For three decades comics fans and creators have looked to Alan Moore to map out the state of the art of the medium. In works such as *Watchmen*, *V for Vendetta*, and *From Hell* he has redefined the possibilities of the genre,attracting literary plaudits and a mainstream audience. Yet his career is a perfect illustration of grand imagination smashing headlong into corporate mediocrity. A principled eccentric, rooted in a very English counter-culture, to this very day he lives in the town of his birth, Northampton, professing greater interest in performance art, magic, and erotica than he does a business he regards as exploitative and derivative. Moreover, his journey from the punky art labs of the 1970s to the bestseller lists has seen him embroiled in fierce feuds with some of the entertainment industry's biggest companies. Now, in anticipation of his 60th birthday, Moore aficionado Lance Parkin goes in search of this extraordinary gentleman, and reveals a writer quite unlike any other working today. CARL BARKS' DONALD DUCK: YOUR AVERAGE AMERICAN SC
(W) Peter Schilling Jr
From 1942 to his retirement in 1966, Carl Barks drew Donald Duck comic books for Walt Disney. He took what should have been a bland franchise and turned it into a classic of comics. Drawing on his own experiences, Barks went to create a character who was remarkable for not being remarkable. In his pursuit of a good job, his boredom with suburban life, his temper, his squabbles with neighbors, and his resolve in the face of his many failures, Barks's Donald Duck was truly your average American. Peter Schilling offered a deeply felt assessment of Carl Barks' Donald Duck. (STK622560) (C: 1-1-1) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DOCTOR WHO: THE LIGHT AT THE END AUDIO CD
(W) Nicholas Briggs (CA) Alex Mallinson
Starring Tom Baker, Peter Davison, Colin Baker, Sylvester McCoy, and Paul McGann. A new adventure in time and space for the Doctor in eight incarnations. November 23, 1963 proves to be a significant day in the lives of all eight Doctors. It's the day that Bob Dowe's life is ripped apart. It's also a day that sets in motion a catastrophic chain of events which forces the first eight incarnations of the Doctor to fight for their very existence. As a mysterious, insidious chaos unfolds within the TARDIS, the barriers of time break apart. From the very beginning, it is clear that the Master is somehow involved. By the end, for the Doctors, there may only be darkness. This all-new audio drama celebrates the 50th anniversary of *Doctor Who* and stars Doctors and companions from every era of the TV show. Also available in a 5-disc special edition with a documentary and the new story *The Revenants*. (STK622424) (C: 0-1 2)

ONCE UPON A TIME: NEW FAIRY TALES SC

(W) Caitlin R. Kiernan & Various

Eighteen extraordinary authors devise all-new fairy tales: imaginative reinterpretations of the familiar, evocative new myths, speculations beyond the traditional realm of "once upon a time." Often dark, occasionally humorous, always enthralling, these stories find a certain Puss in a near future New York, an empress bargaining with a dragon, a princess turned into a raven, a king's dancing daughters with powerful secrets, great heroism, terrible villainy, sparks of mischief, and a great deal more. Brilliant dreams and dazzling nightmares with meaning for today and tomorrow. (STK615033)

WEIRD DETECTIVES: RECENT INVESTIGATIONS

(W) Neil Gaiman & Various

Paranormal investigators. Occult detectives. Ghost hunters. Monster fighters. When vampires, werewolves, and things that go "bump" in the night are part of your world, criminals can be as inhuman as the crimes they commit, and magic can seep into the mundane, those who solve the mysteries, bring justice, or even save the world itself, might utter spells, wield wands as well as firearms, or simply use their powers of deduction. Some of the best tales of the last decade from top authors of the 21st century's most popular genres take you down mean streets and into strange crime scenes in this fantastic compilation. GEEK LUST SC
(W) Alex Langley
Over the past few years, a huge shift has taken place in our culture and what was once hopelessly geeky — video games, superheroes, fantasy novels, science fiction — has now become cool, and geeks themselves are our new hip overlords. Although "geeks" and "lust" are two words typically not found in the same sentence, both share a powerful common factor: passion. And if geeks are anything, it's passionate about their interests. Alex Langley takes a humorous and insightful look at the things that make geek lust burn like 1.21 giga-suns, from movies, TV shows and comic books to inventors, physics and time travel. Let the desire begin. (STK622330)

(W/A) Various

Hogan's Alley features a roundtable interview with four cartoonists who made the transition from drawing comic books to newspaper comic strips. What are the creative challenges they confront, and how have the changing economics of the comics industry influenced their career paths? We also look at the various, and largely unsuccessful, efforts to adapt *Dick Tracy* to animated form over the decades, with lots of never-reprinted *Tracy* art from the legendary UPA studio! The issue also examines the extensive influence of the immortal William Shakespeare on the equally immortal *Krazy Kat*, with many examples presented and annotated. MONDO-CHI ADVENTURE SERIES: PIRATE VINYL FIGURE

From The CS Moore Studio Ltd! Meet Mondo-chi, the little dog with the **big** attitude! Like most little dogs, Mondo-chi acts very tough around much larger creatures. Is he crazy? Perhaps, but the true reason behind his bravado is much more intriguing. When Mondo-chi sleeps, he's transported to alternate worlds and has the most fantastic adventures doing things impossible for someone so small — and without opposable thumbs! In this 3" vinyl figure featuring articulation at the head and shoulders, Mondo-chi is a salty sea dog pirate, ready for action with his trusty sword and pistol accessories. Limited Edition of 500. S.U.C.K.L.E. BROWN VERSION PREVIEWS EXCLUSIVE MINI FIGURES
(A) Suckford
From Suckadelic & October Toys! At San Diego Comic-Con 2012 Suckadelic & October Toys debuted the first 5 sculpts of The Super Suckford's mini figure line, S.U.C.K.L.E. (Simply Unimportant Collectable Kitschy Little Eyesores). Sculpted by George Gaspar/October Toys, The Super Suckford and his brand Suckadelic have been making custom resin art "toys" for over 10 years. Classic vintage toys have always been a huge inspiration for his work. S.U.C.K.L.E. pays homage to the classic mid-eighties toy line *M.U.S.C.L.E.* by Mattel. The figures are roughly the same size and made similarly out of solid color injection molded PVC plastic. Each of the Suckadelic characters will be immortalized in the same mini wrestler style as the original *M.U.S.C.L.E.* figures and stand approximately 2" tall. If you are already a *M.U.S.C.L.E.* collector these figures should display perfectly with your vintage figures. The ten figures in Series 1 will include *Suckford 66*, *Suckford 43*, *Suckford 16*, *Ass Wipe*, *Necromancer Galactic Jerkbag*, *Ira Tyrannusberg*, *Another Bitch*, *Vector*, and *Gay Empire*. GRAND JESTER: AURORA/
BRIAR ROSE MINI-BUST

Deep in the forest, far from malevolent eyes, lives a fair damsel of unsurpassed beauty. Raised by three wise women who fiercely guard her true identity, the young maiden spends her days communing with her only friends, the small, woodland creatures whom she adores. Her name, so far as she knows, is simply Briar Rose. But unbeknownst to her, she is actually the long-lost Princess Aurora. And when her secluded sanctuary is discovered by a questing prince, events conspire to bestow upon her an even more famous title: Sleeping Beauty. This character-authentic polystone mini-bust is designed and sculpted by Patrick Romandy-Simmons. Standing 7" tall, Briar Rose comes painted and ready to display. OSAMU TEZUKA'S ODE TO KIRIHITO
(W/A/CA) Osamu Tezuka
From Vertical, Inc.! The young doctor Kirihito Osanai has been introduced to the Monmow disease, which transforms humans into dog-like beasts and then kills them within a month of the transformation. While studying the disease's pathology, Kirihito becomes an unwilling test subject for his hospital's research as he contracts the disease, which alienates him from his fiancee and his colleagues. As the disease begins its transformation, Kirihito's attitude toward life changes and he accepts his fate. While he becomes a spiritual figure to a rural village, his former colleagues seek to uncover the mystery behind the disease. Originally published in three volumes in the 1970s, this groundbreaking graphic novel examines the ethics of medicine and the line between man and nature. The complete story is published in a 2-volume collection. (STK411725) (235) (C: 0-0-1)

WARHAMMER 40K:
VULKAN LIVES TP
(W) Nick Kyme
In the wake of the Dropsite Massacre at Issivar V, the survivors of the Salamanders Legion searched long and hard for their fallen primarch, but to no avail. Little did they know that while Vulkan might have wished himself dead, he lives still. As the war continues without him, all eyes turn to Ultramar and Guilliman's new empire there, and Vulkan's sons are drawn into an insidious plot to end the Heresy by the most underhand means imaginable (STK624023) (C: 0-1-2)

WARHAMMER:
SWORD OF CALEDOR 4C
(W) William King
Twins Tyrion and Teclis, the greatest high elf heroes to still walk the earth, venture into the deadly jungles of Lustria on a desperate hunt for the lost sword of Caledor Dragontamer, the fabled "Sunfang". While they search for this ancient artifact the dark elves continue their assault on Ulthuan, sending the deadly assassin Urian Poisonblade to kill the Everqueen. And in the Realm of Chaos, the Witch King Malekith makes a pact with another enemy of Tyrion and Teclis — the sinister daemon N'Kari (STK624022) (C: 0-1-2)

WARHAMMER 40K: PARIAH SC
(W) Dan Abnett
In the city of Queen Mab, nothing is quite as it seems. Pariah, spy and Inquisitorial agent, Alizebeth Bequin is all of these things and yet none of them. An enigma, even to herself, she is caught between Inquisitors Gregor Eisenhorn and Gideon Ravenor, former allies now enemies who are playing a shadow game against a mysterious and deadly foe. Coveted by the Archenemy, pursued by the Inquisition, Bequin becomes embroiled in a dark plot of which she knows not her role or purpose. Helped by a disparate group of allies, she must unravel the secrets of her life and past if she is to survive a coming battle in which the line between friends and foes is fatally blurred. WARHAMMER:
BANE OF MALEKITH HC
(W) William King
Tyrion — unparalleled swordsman and tactician. Teclis — greatest natural sorcerer of the age. Together these twins are the greatest high elves to walk the earth. As the dark elves of Naggaroth and their daemonic allies sweep across Ulthuan, it falls to Tyrion and Teclis to protect their homeland. In the forests of Avelorn, Tyrion and the Everqueen are on the run, desperately trying to evade their druchii pursuers. Teclis rushes to his brother's aid, and both twins prepare to embrace their destiny as the forces of the high elves face their foes on Finuval Plain... (STK624021) (C: 0-1-2)

HAWKEN REAL TIME CARD GAME

HAWKEN

Based on the hit video game, Hawken! Grab a Mech and get to fighting. . fast! Your deck of cards contains primary and secondary weapons systems, thrusters, special abilities, and various other high-tech instruments of war. Draw cards and place them onto the table as fast as you can, but be careful or you might overheat! If you don't wish to play a card, place it face down and it acts as cover for the round, absorbing a bit of damage from your opponent. The action is in real-time, but a game round ends when a player snags the FIRE! button from the center of the table. The speed of the Mechs are calculated, which determines the engagement range. Then weapons are fired and internal heat is generated. Quick reflexes are helpful, but a quick mind will win every time! REINER KNIZIA'S THE HOBBIT: THE DESOLATION OF SMAUG BOARD GAME
The epic adventure continues! From master game designer Reiner Knizia comes *The Hobbit: The Desolation of Smaug Board Game*, an exciting game of adventure in which you join Bilbo Baggins and his 13 dwarven companions on their journey through the Mirkwood Forest and Lake-town, to the gold-filled caverns of Lonely Mountain. Along the way The Company will encounter spiders, elves, orcs, and finally the dragon Smaug himself. Traverse your way through two boards, each more difficult than the last, with the goal of coming out alive and prepared for the dangers that lie ahead. Your accumulated points at the end of the game will be your group's mark for finding out how good of a team you really are! This is a standalone game, but it's also an expansion to *The Hobbit: An Unexpected Journey*. New elements not found in the first game include "The Dragon's Path" and the "Dwarven Barrel Escape." Each will add new twists and tension to the game. Combine the two games for a wild ride and see how well your team can do! C/A SETTLERS OF CATAN: 15TH ANNIVERSARY WOOD EDITION BOARD GAME

(W) Klaus Teuber (A/CA) Michael Menzel
Embark on a quest to settle the four isle of Catan. This modern classic, an international favorite, has redefined social board games. Now you can create Catan out of wood and enjoy settling and building using specially tooled wooden pieces! Guide your brave settlers to victory by using clever trading and development. Use resources (grain, wool, ore, brick, and lumber) to build roads, settlements, and cities, and buy development cards. Acquire your resources through trades or the role of the dice. But beware! You never know when someone might cut off your road or if the robber will appear and steal your precious gains. Are you the best trader, builder, or settler? The strong, compartmentalized box contains: 52 thick, beautifully illustrated map hexagons, 144 specially designed playing pieces, 6 hexagonal building costs summaries, 2 special victory point markers, 1 vile robber, 2 dice, and 28 random number chits — all made from sturdy wood. The 154 cards, like the hexes, bear fine artwork from Michael Menzel. Enjoy this special, limited production — suitable for travel or your nicest coffee table — with friends or family members for many decades to come. Designed for 3-6 players. (STK431221) (C: 0-1-2)

PATHFINDER ADVENTURE PATH: WRATH OF THE RIGHTEOUS PART 1—THE MIDNIGHT ISLES
An audience with the Crusader Queen leads the heroes through a mysterious portal to an otherworldly fortress that lies betwixt Golarion and the demonic Abyss. Bringing the fight for the Worldwound to its demonic source means dealing with the cultists of Deskari, demon prince of locusts, who infest the castle like a swarm of insects. Beyond the fortress lies the Abyssal realm of the Midnight Isles, lair of the succubus queen Nocticula, wherein lies the final secret of the powerful crystals empowering the Worldwound's demonic armies with mythic power. Can the heroes navigate the intrigues of three demon lords to strike a critical blow for the forces of good without losing their souls to darkness? "The Midnight Isles" is a *Pathfinder RPG* adventure for 12th-level characters who have gained five mythic tiers. The adventure utilizes rules from *Mythic Adventures* in order to portray a campaign of truly epic potential. This volume also includes an extensive gazetteer of the Abyss, an overview of the cult of Nocticula, a bestiary of several monsters and demon lords, and part four of Robin D. Laws's Pathfinder Journal (STK620332) (C: 0-1-2)

PATHFINDER MODULE: TEARS AT BITTER MANOR
A deluxe urban mystery adventure for 5th-level characters! A retired cadre of lifelong adventurers meets every year in the city of Cassomir to embark on their latest "one last adventure." As the aged travelers prepare for their annual reunion, one of them disappears amid signs of foul play. Concerned for their missing friend, the retired adventurers ask the player characters to locate and retrieve him before their anniversary celebration becomes a mournful wake. The challenges before them will test every bit of their mettle as they uncover a deadly secret and fight to rid Cassomir of an insidious evil. Written by Steven Helt, the 2013 winner of Paizo Publishing's annual RPG Superstar contest, *Tears at Bitter Manor* includes 64 action-packed pages of adventure and a beautiful two-sided full-color poster map. Players can expect to reach 16th level by the time they complete this epic adventure — if they manage to survive! (STK620336) (C: 0-1-2)

SEVEN STORIES PRESS

MINECRAFT: THE BLOCK THAT CHANGED EVERYTHING HC
A Cinderella story for the Internet age! A few years ago, 32-year-old Markus "Notch" Persson of Stockholm was an unknown and bored computer programmer. Today, he is a multi-millionaire international icon. Minecraft, the "virtual Lego" game Markus crafted in his free time, has become one of the most talked about activities since Tetris. Talked about by tens of millions of people, in fact. It is the story of unlikely success, fast money, and the power of digital technology to rattle an empire. And it is about creation, exclusion, and the feeling of not fitting in. Here Markus opens up for the first time about his life. About his old Lego-filled desk at school. About the first computer his father brought home one day. But also about growing up in a family marked by drug abuse and conflict. But above all it is the story of the fine line between seeming misfit and creative madman, and the birth of a tech visionary. (STK624052) (C: 0-1-2)

FIREFLY: OUT TO THE BLACK CARD GAME
Firefly: Out to the Black is a quick card game that plays from three to five players. It's unusual in that the players do not compete against each other, but compete against the game. This is a fairly new style of game called a co-op (cooperative) game. Players take on roles of the crew of the *Serenity* and play through a series of Events, all based on situations presented on the show. Using their Fightin', Flyin', and Thinkin' skills, they attempt to successfully complete these Events to earn Credits and Honor. If the players run out of Credits or Honor before the end of the game, they all lose and the game wins! If the players manage to complete the predetermined amount of Events without running out of Credits or Honor, they win the game, and live to fly another day! (STK622551) (C: 0-1-1)

CAMPIONE! COMPLETE COLLECTION
From Sentai Filmworks! Some people suddenly find religion, but for 16-year-old Kusanagi Godo, it's that *really* old time religion that's found him! As the result of defeating the God of War in mortal combat, Godo's stuck with the unwanted position of Campione, or "God Slayer", whose duty is to fight Heretical Gods whenever they try to muscle in on the local turf. Not only is this likely to make Godo roadkill on the Highway to Heaven, it's also a job that comes with a lot of other problems. Like how to deal with the fact that his "enhanced status" is attracting a bevy of overly-worshippy female followers. After all, they're just there to aid him in his demi-godly duties, right? So why is it that their leader, the demonically manipulative sword-mistress Erica Brandelli, seems to have such a devilish interest in encouraging some very unorthodox activities? Get ready for immortal affairs, heavenly harems and lots of dueling deities taking pious in the face as the ultimate smash, bash and thrash of the titans rocks both Heaven and Earth in *Campione!* Available in Blu-Ray and DVD formats. HAKUOKI: DAWN OF THE SHINSENGUM SEASON THREE
From Sentai Filmworks! The year is 1863 and as Japan's long festering wounds of political discord erupt into violent waves of street clashes and murder, the Tokugawa Shogunate sends a new force of masterless samurai called the Roshigumi to the aid of the Aizu forces in Kyoto. However, the new "police" are anything but a cohesive force and assassination has already split them into two opposing factions. The stronger is led by the brutal Serizawa Kamo, and the lesser by the more honorable but less assertive Kondo Isami. It is into this pack of wolves that Ryunosuke Ibuki is dragged by the rabid Serizawa. Forced to be a virtual slave by blood debt, he hates the samurai and everything they stand for. But as he sees how the other half of the samurai live, he begins to believe that there may still be a chance, for both himself and Japan, if only Kondo will step up and take down the mad dog Serizawa. Historical truth provides the bloody groundwork for cloak, sword and dagger on an epic scale in the spectacular prequel to *Hakuoki*, *Hakuoki: Dawn of the Shinsengumi!* Available in Blu-Ray and DVD formats. SPOTLIGHT ON

ROYAL SPACE FORCE: THE WINGS OF HONNEAMISE

From Maiden Japan! In a world eerily similar to our own, war between the Kingdom of Honneamise and its archrival, The Republic, seems inevitable. But even as the two nations' rapidly evolving technology creates new ways to wage greater and more deadly forms of warfare, a small group seeks to use those same advances to propel mankind forward into the future and into space in their world's first manned spaceflight program. For astronaut candidate Shirotsugh Lhadatt, it's not just a journey beyond the reach of the atmosphere, but a personal odyssey as he grows from an aimless young man into a leader willing to put everything on the line in order to move the human race forward and away from the brink of Armageddon. Prepare to witness the legendary film that revolutionized the anime industry, launched the careers of dozens of today's animation superstars and put Studio Gainax forever on the map as one of Japan's premiere production houses. Staggering animation, brilliant storytelling and a scope that goes beyond epic combine to produce an emotional powerhouse that will send your spirit flying towards the stars with *The Royal Space Force: Wings of Honneamise!* Available in Blu-Ray and DVD formats. MANIAC (2013)
From IFC Films! Frank (Elijah Wood) leads a deceptively peaceful life. To the outside world, he's a withdrawn and somewhat eccentric owner of a mannequin store. But his quiet facade masks an inner rage that forces him to brutally kill the women who manage to get too close to him. When a young artist named Anna appears one day at Frank's shop and asks for his help with her new exhibition, Frank develops an obsession with her that threatens to completely destroy his already fragile psyche. Soon the streets become unsafe for any woman after dark as this newly-awakened maniac begins to stalk and kill. A 21st century Jack the Ripper story set in present day Los Angeles, *Maniac* is an intimate, visually daring, psychologically complex and profoundly horrific trip into the downward spiraling nightmare of a killer and his victims. SPOTLIGHT ON

IN THE FLESH: SEASON ONE
From BBC Video! Zombie teenager Kieren Walker isn't comfortable in his undead state. He didn't want to come back — he wanted to stay dead. After his suicide four years ago, his friends and family thought they'd never see him again. But then, shortly after his funeral, thousands rose from the dead; and after a catastrophic war, imprisonment, months of rehabilitation and medication, the former zombies are gradually being returned to their homes. When Kieren returns, he is forced to confront his family, the community that rejected him, and haunting flashbacks of what he did in his untreated state. (STK622438) (C: 0-1-1)

DONNIE DARKO ORIGINAL SOUNDTRACK

From Death Waltz Recording Co.! Released in conjunction with Everlasting Records, the Donnie Darko original soundtrack, composed by Michael Andrews, has been re-mastered for vinyl especially for this release. The score is pulsing, hypnotic and captures the dark and moody nature of the film perfectly, and this release also features the million selling single, "Mad World" by Gary Jules. Features exclusive cover art by Tom French, with liner notes by Richard Kelly & Tom French. (STK622596) (C. 0-1-1)

LP $29 99

ESCAPE FROM NEW YORK ORIGINAL SOUNDTRACK

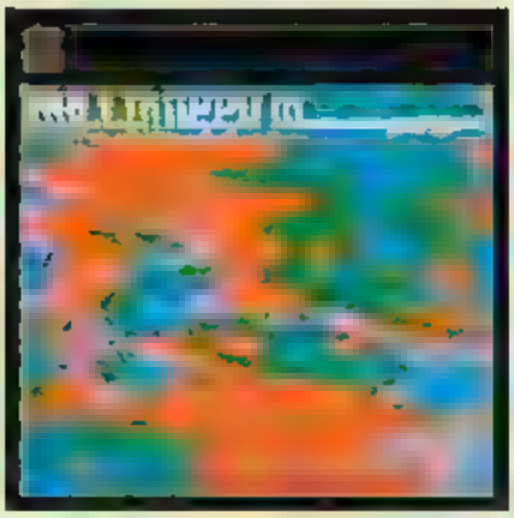
From Death Waltz Recording Co.! Exclusively re-mastered for this vinyl release — including 6 tracks that never made it into the original film! John Carpenter not only directed *Escape From New York*, he also composed and recorded its original music. This score sounds as fresh today as it did when it was first released. Laden with brooding electronic pulses, flashes of Krautrock and a healthy dose of nu disco ensures that this soundtrack sounds as happy on the dance floor as it s in your headphones. Album features exclusive cover art by Jay Shaw (a.k.a. Iron Maiden), with Sleeve Notes from Alan Howarth. LP comes pressed on orange vinyl and includes an A2 poster of the cover art by Jay Shaw. (STK622594) (C. 0-1-1)

LP $29 99

HALLOWEEN II ORIGINAL SOUNDTRACK

From Death Waltz Recording Co.! John Carpenter and Alan Howarth managed to do something not many people have been able to do with their score to *Halloween II*, they managed to take the blueprint of the first film's score and make it bigger, darker and nerve-shreddingly intense. Synths wail and stutter as the score progresses to the point where you feel your head might implode from the oncoming onslaught. This score really should be played late at night with all of the lights out. This limited edition soundtrack LP is pressed on Black & Orange color effect vinyl. (STK622600) (C. 0-1-1)

LP $29 99



HALLOWEEN III ORIGINAL SOUNDTRACK

From Death Waltz Recording Co.! You have to bow down before John Carpenter and Alan Howarth. Their score for *Halloween III* is so far ahead of it's time it's mind boggling. *Halloween III* is a tour de force of experimental synth tones, intense melodies and dark brooding mood pieces. This is one of my favourite scores of all time and I am honored to have the chance to release it. This edition comes with all-new cover art by Jay Shaw and features sleevenotes by Alan Howarth and Jay Shaw. The vinyl comes pressed on an Orange & Black two color effect, along with a 12x12 lithograph and a folded poster of the cover art! (STK622601) (C. 0-1-1)

LP $29 99

HOUSE BY THE CEMETERY ORIGINAL SOUNDTRACK

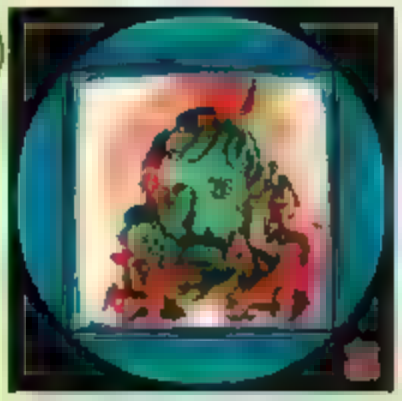
From Death Waltz Recording Co.! This vinyl LP presents Walter Rizzati's original score to Lucio Fulci's classic horror film, House by the Cemetery. It includes exclusive new cover art by Graham Humphreys, with liner notes by Stephen Thrower and Humphreys, and comes pressed on transparent red and solid black colored vinyl. This edition is strictly limited to 400 copies worldwide! (STK622607) (C. 0-1-1)

LP $29 99

LET THE RIGHT ONE IN ORIGINAL SOUNDTRACK

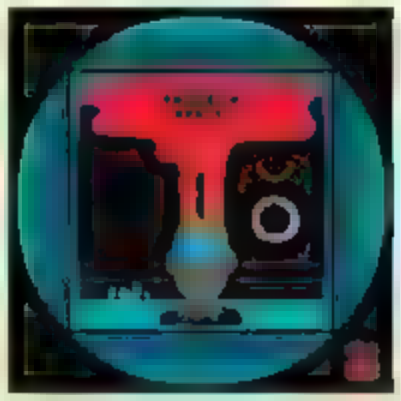
From Death Waltz Recording Co.! First ever release on vinyl for this modern day classic! One of the most striking and beautiful vampire movies in decades and featuring a soundtrack loaded with dark, brooding themes that still manage to be achingly melancholic at the same time. Features exclusive cover art by Candice Tripp, an internationally renowned fine artist, with sleeve notes by composer Johan Söderqvist. This limited edition of only 200 copies comes pressed on White vinyl, and comes with an exclusive lithograph of the cover art by Tripp (STK622595) (C. 0-1-1)

LP $29 99



THE LIVING DEAD AT THE MANCHESTER MORGUE ORIGINAL SOUNDTRACK

From Death Waltz Recording Co.! The score to this classic zombie film by Giuliano Sorgini pre-dates *Suspiria* by three years, and one can't help but think Goblin (*Zombie*) used this as a benchmark for *Suspiria*. The score features a great mix of '60s psych-driven breaks with the lushest strings you'll ever hear pulsing electronics and some terrifying wailing screams from hell itself (provided by the director Jordi Grau himself). Exclusive cover art by Luke Insect, with sleeve notes by renowned Italian horror expert Stephen Thrower, artist Luke Insect, and composer Giuliano Sorgini. (STK622598) (C. 0-1-1)
LP $29.99



PRINCE OF DARKNESS ORIGINAL SOUNDTRACK

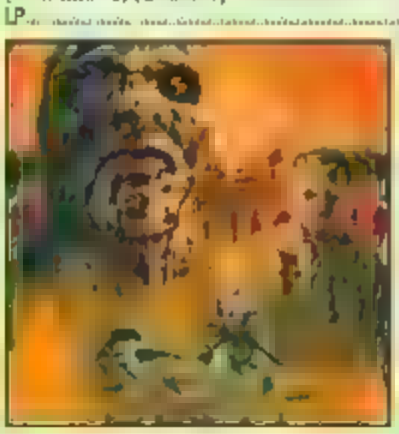
From Death Waltz Recording Co.! *Prince Of Darkness* is undoubtedly one of John Carpenter's darkest and most underrated films, and the score complements the images perfectly. This has to be one of the most understated, atmospheric and downright scary soundtracks ever made, and Carpenter and Howarth keep it simple with oodles of tension. Music Composed and Performed by John Carpenter, Produced & Re-mastered by Alan Howarth. Features exclusive new cover art by Sam Smith, with sleeve notes provided by Alan Howarth and Sam Smith. Limited to 300 copies worldwide, pressed on pale blue vinyl. (STK622599) (C. 0-1-1)
LP $29.99

THEY LIVE ORIGINAL SOUNDTRACK

From Death Waltz Recording Co.! For the score to one of his most iconic films, John Carpenter and Alan Howarth created what can only be described as "electronic blues". The score is recognizable as Carpenter, but has a dusty slow pulsating western feel that really does give it a life of it's own. Original recording re-mastered by Alan Howarth. Features exclusive new artwork by Gary Pullin, with liner notes by Howarth and Pullin. Includes a spot-varnish cover, 12x12 lithograph and 24x24 poster of the cover art. Pressed on Blue and Purple vinyl. (STK622602) (C. 0-1-1)
Vinyl $29.99

TWINS OF EVIL ORIGINAL SOUNDTRACK

From Death Waltz Recording Co.! Death Waltz are extremely proud to announce their first collaboration with the legendary Hammer Films! Music Composed by Harry Robinson, conducted by Philip Martell. Original Album Compiled and Produced by Gary Wilson, with Audio Restoration and Digital Mastering by Peter J. Reynolds and Steven Cook. Album features exclusive cover art by Eelus, with sleeve notes by Marcus Hearn & Eelus. Includes a 12x12 lithograph print and giant 22x22 poster of the cover art. Pressed on split transparent red and solid white vinyl, strictly limited to 400 copies worldwide. (STK622608) (C. 0-1-1)
LP $29.99



ZOMBI 2 ORIGINAL SOUNDTRACK

From Death Waltz Recording Co.! The first time this classic soundtrack to the notorious Lucio Fulci video nasty has ever been made available on vinyl to collectors. This soundtrack is one of the holy grails of Italian cinema with the maestro Fabio Frizzi delivering a dizzyingly brilliant soundtrack that can hold it's own with anything released by John Carpenter or Goblin. Cover art by legendary UK poster artist Graham Humphreys who was responsible for the original cinema posters for *The Evil Dead*, *Nightmare On Elm Street 1-5* and *Return Of The Living Dead!* Exclusive sleeve notes from composer Fabio Frizzi and renowned Italian horror expert Stephen Thrower. This limited edition LP comes pressed on red and clear splatter vinyl, and includes a poster by artist Graham Humphreys. (STK622593) (C. 0-1-1)
Vinyl $29.99

RIDDICK
From Ingram Entertainment! The latest chapter of the groundbreaking saga that began with 2000's hit sci-fi film *Pitch Black* and 2004's *The Chronicles of Riddick* reunites director David Twohy and star Vin Diesel—who reprises his role of the ultimate antihero. *Riddick* left for dead on a sun-scorched, seemingly lifeless planet. Riddick soon finds himself fighting for survival against predatory alien fauna, deadlier than any human he's encountered. The only way off planet is to activate an emergency beacon and wait to see who shows up first... the mercenary bounty hunters after his head, or Vaako (Karl Urban), his former rival amongst the Necromonger ranks. Also starring Battlestar Galactica's Katee Sackhoff. *Riddick* will be available in a Blu-Ray/DVD Combo Pack, or standard DVD formats. (STK623479) (C: 0-1-2)

FROM THEN & THERE TO THE HERE & NOW (AND BEYOND)

by Marty Grosser

It seems like only yesterday, that I was stepping off a plane for the first time in Baltimore, Maryland, relocated to the other side of the country to do what I was best at: writing and editing catalog copy. Twenty-five years later, I'm doing much more of the latter than the former, but I still keep my hand in things, picking up the odd writing chore here and there, all in the spirit of keeping ***PREVIEWS*** on schedule.

This month we present to you our 300th issue, a landmark to be sure. But how did we get to this 25th anniversary issue? Many of you that may be joining us for the first time, might not know the history of our publication, or what events occurred that ultimately spawned this publication. For that, you would have to travel back 25 years, to a small Sierra Nevada community known as Grass Valley...

FLIPside

FLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPside

Sometime in 1988, Bud Plant, the owner/operator of Bud Plant, Inc., a West Coast comic book distributorship, was working behind-the-scenes to sell his distribution network to an East Coast distributor known as Diamond Comic Distributors. As this was happening, I was working my first year as a copywriter on Bud's monthly catalog, the *Bud Plant Quicklist*. This precursor to ***PREVIEWS*** was printed in b&w on newsprint, and ran an average of 48 pages a month.

After the dear went through, and Bud gave us the news, Steve Geppi, owner and president of Diamond Comic Distributors, made us an offer to come to Maryland and form a catalog department for his company. Myself, and my editor at the time, Steve Bond, decided that we would make the move with our families. But during this transitional time, we still had a catalog to put out. So, after two months of Diamond *Quicklists* (August and September 1988), we produced our first issue of Diamond ***PREVIEWS*** for October 1988, while still in Grass Valley. The first official issue of ***PREVIEWS*** fully produced in Maryland was our November 1988 cover-dated issue.

Since then, we have continued to innovate, upgrade, and enhance ***PREVIEWS*** in our efforts to make it the best publication available to collectors and retailers alike. Since 1988 we've added color covers, interior color, collectible inserts, better paper stocks, special sections, monthly themes, and more. And let's not forget the products, especially the comics. Over the years, ***PREVIEWS*** has brought you your first looks at some of the greatest comics ever published, and graphic novels that continue to be fan-faves. On the next page, we take a look at some of the landmark comics we've featured over the years...

EDITOR'S CHOICE:

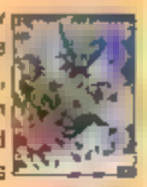
We've had hundreds of covers over the years, many remarkable, many not so remarkable. Here's my favorites from each of the decades we've published...

THE '80s
PREVIEWS OCT 1988
The first and, for nostalgic reasons, still my favorite.

THE '90s
PREVIEWS FEB. 1993
The black-on-black embossed and matte-finished ghostly Superman cover signaled the return of the Man of Steel, and was one of our first enhanced covers.

THE '00s
PREVIEWS AUG 2000
Harley Quinn graced our cover in conjunction with her series debut from Karl Kesel, with art and cover by Terry and Rachel Dodson. 15 years later, Harley's once again on our cover for a new, new series!

THE '10s
PREVIEWS JULY 2011
The debut of DC's "New 52" and their signature squad of super-heroes, Justice League. Jim Lee's never looked better, and neither has the League!



Go online to *PREVIEWS*world.com to see our list of top 10 covers from each decade.

FLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPside

There have been thousands of comics solicited in the pages of ***PREVIEWS*** over our 25 year history, with many of the biggest releases gracing our covers. Here's a few highlights...

JUNE 1991

X-Men #1—The "Adjective-less" X-Men hit the stands with five different collector covers, all by superstar artist Jim Lee! This one also merited one of our rare wraparound covers, and displayed Mr Lee's exciting artwork to full effect!

SEPTEMBER 1992

Superman #75—"The Death of Superman" The Man of Steel's cape blowing in the wind like a tattered flag spoke volumes. We didn't need to see a body. We knew things were bad.

SEPTEMBER 1993

Sin City: A Dame to Kill For #1—Frank Miller celebrated the debut of his the latest chapter in his *Sin City* saga with an original gatefold cover depicting Martha Washington and Marv observing a sea of costumed heroes battling for dominance of the market. In the end, I think we all know who won...

MAY 2012

The Walking Dead #100—Robert Kirkman and Charlie Adlard's *The Walking Dead* hit its 100th issue and they pulled out all of the stops for this issue which saw the debut of the despicable villain Negan. It also saw the passing of a beloved member of Rick Grimes' group at the hands of Negan, cementing his place in the pantheon of comic book psychos.

There are literally thousands of other great titles and items that we've listed over the years, and we'll be covering more aspects of our ***PREVIEWS*** legacy and some of the statistics we've gathered over the years of publication on our official ***PREVIEWS***world website this month. Check in there for more cover memories, classic merchandise, and plenty more.

Whether you've been with us from the start, or this is your first issue, on behalf of all of us here at ***PREVIEWS***, thanks for your readership!

It's no mystery why MARVEL COMICS took the four-color hero world by storm — it featured some of the greatest characters and creators of comics' Golden Age! And today you can experience the stories that founded Marvel as the Golden Age Marvel Masterworks march on. In our second volume, the Human Torch joins the police force, the Sub-Mariner is put on trial — and gets the electric chair! — the Angel takes on the mob, Ka-Zar defends his jungle kingdom, and Electro and Professor Zog continue their wild adventures. You'll also see history made when the Human Torch and the Sub-Mariner cross over into each other's series for comics' first hero vs. hero battle! Collecting MARVEL MYSTERY COMICS #5-8.

PENCILED BY SAL BUSCEMA WITH DON HECK, GENE COLAN, SAM GRAINGER & MIKE ESPOSITO
COVER BY GIL KANE

Steve Gerber's DEFENDERS ranks as a high-water mark of '70s Marvel. Taking the famous non-team and mixing in his own unique brand of sharp social commentary, Gerber brought forth stories both action-packed and insightful! We begin with a classic four-part saga featuring the bigoted Sons of the Serpent that brings members past and present together to defend the defenseless. Then, the Guardians of the Galaxy hit the scene and take the Defenders to the year 3015 A.D.! It's an amazing adventure including the debut of Starhawk — and while we were at it, we added the Guardians of the Galaxy's first appearance, too! Oh, and there's an elf with a gun. You'll see... DAREDEVIL BY MARK WAID VOL. 2 HC

WRITTEN BY MARK WAID & GREG RUCKA
PENCILED BY MARCO CHECCHETTO, CHRIS SAMNEE, KHOI PHAM & MIKE ALLRED
COVER BY CHRIS SAMNEE

Mark Waid's epic re-invigoration of the Man Without Fear continues! Daredevil and Spider-Man form a shaky alliance with not one, but two Punishers to obtain the invaluable Omega Drive — which contains the information needed to dismantle an international criminal network. But the plan goes pear-shaped when one hero betrays the group! Then, Daredevil undergoes urgent brain surgery as size-changing scientiest Hank Pym enters his head to destroy sensory-deprivation robots implanted by Dr. Doom. But Daredevil's recovery hits a snag when he starts to question reality. His best friend, Foggy Nelson — believing Matt is losing his mind, and that he presents a danger to himself and others — dissolves their law partnership...and their friendship! Ghosts from Daredevil's past return to haunt him in a mind-bending adventure that leaves him second-guessing his sanity as he faces off against dangerous new villain the Coyote. COVER BY JOHN ROMITA JR.

Fan-favorite creators Roger Stern and John Romita Jr. spin some of their most startling Spidey stories! When one of Marvel's most terrifying tag-teams challenges the wall-crawler, it's Spidey vs. Cobra and Mr. Hyde in a grueling grudge match of epic proportions! Then, Spider-Man investigates the sinister Brand Corporation, and finds himself caught between the wily Will O' the Wisp and arachnid assassin the Tarantula — and one of those two villains won't survive Brand's machinations! Can Spidey save the day and shut down the corrupt corporation — or will he barely be able to escape with his skin intact? Plus: a soul-searching retrospective starring the stupendous Stilt-Man! And the debut of Monica Rambeau, the second Captain Marvel, in a scintillating saga guest-starring the Avengers! It's mayhem, monsters, mutations and mysteries! Collecting AMAZING SPIDER-MAN (1963) #231-237 and ANNUAL #16.

THANOS: INFINITY ABYSS TPB (NEW PRINTING)

WRITTEN BY JIM STARLIN
PENCILED BY JIM STARLIN
COVER BY JIM STARLIN

Spider-Man. Dr. Strange. Adam Warlock. Pip the Troll. Captain Marvel. Five classic costumed champions whose combined strength can move planets and change the course of time itself. What threat could be dire enough to bring these heroes together? Only the most feared villain in the entire cosmos: Thanos! For the vengeful Eternal seeks not only the death of his enemies — he seeks the eradication of life itself. If Thanos attains his goal, the entire universe will face complete annihilation. Following in the legendary tradition of Jim Starlin's acclaimed Infinity trilogy, this star-spanning epic features heroic adventures on a breathtaking cosmic scale — showcasing writer/artist Jim Starlin's wondrous imagination without boundaries or limits. Collecting INFINITY ABYSS #1-6.

AVENGERS: ABSOLUTE VISION BOOK 1 TPB

WRITTEN BY JM DEMATTEIS, ROGER STERN, JOHN BYRNE, ANN NOCENTI & BILL MANTLO
PENCILED BY JOHN ROMITA JR., AL MILGROM, JOHN BYRNE, DAN GREEN, BOB BUDIANSKY & JACKSON GUICE
COVER BY AL MILGROM

The ultimate Vision story begins with catastrophe, as the android Avenger is laid low by...the Barrier! But if it doesn't kill him, will his experience only make him stronger? And are Earth's Mightiest prepared for the answer? The old order changeth once again as the Avengers welcome aboard Starfox and a new Captain Marvel — but does that leave any room for Spider-Man? And it's guest stars galore as the Fantastic Four move in to the mansion, the ghost of Spider-Woman haunts the team, and Dr. Strange makes a house call seeking Scarlet Witch's aid dealing with Dracula, lord of the vampires! Writer Roger Stern's acclaimed Avengers run kicks into high gear! Collecting AVENGERS (1963) #231-241 and ANNUAL #11-12, AMAZING SPIDER-MAN ANNUAL #16, FANTASTIC FOUR (1961) #256, and DOCTOR STRANGE (1974) #60.

THOR BY WALTER SIMONSON VOL. 3 TPB

WRITTEN BY WALTER SIMONSON
PENCILED BY WALTER SIMONSON & SAL BUSCEMA
COVER BY WALTER SIMONSON

Few people have ever left their mark on one character quite the way Walter Simonson has. His work on the Mighty Thor swept the Norse God of Thunder to heights never before seen and rarely achieved in his wake. Spanning epic tales of heroism and treachery, love and war, Simonson's work is often considered the definitive Thor. From the majesty and mystery of fabled Asgard to the gritty streets of New York City, Thor was never the same. That is the mark of a true visionary. This third volume continues the collection of Simonson's epic run — completely remastered from the original artwork and newly colored by Steve Oliffe! Collecting THOR (1966) #357-363 and BALDER THE BRAVE #1-4.

PENCILED BY SAL BUSCEMA, JIM MOONEY, CARMINE INFANTINO, JOHN BYRNE & STEVE DITKO
COVER BY DAN ADKINS

When the members of the villainous Corporation set their sights on the Green Goliath, they send the manipulative Moonstone to turn the Hulk's couch time with Doc Samson into a destructive rampage, imprison him on Alcatraz Island and manipulate ol' Greenskin into going toe-to-toe with Machine Man! Then, on the run from Gamma Base, the Hulk finds himself used as a gamma-irradiated battery by new foe Goldbug and old nemesis Tyrannus! Plus: The Hulk is enraged to learn Gamma Base has the remains of his departed love Jarella — and no one, not even the visiting Captain Mar-Vell, will stop him from giving her a proper burial. Guest-starring Captain America, the Falcon, Quasar, the Angel, Power Man and Iron Fist, and Alpha Flight's Sasquatch! Collecting INCREDIBLE HULK (1968) #226-248 and ANNUAL #7-9, and CAPTAIN AMERICA (1968) #230.
